The fastest, most fun team sport in the world will be at the AT&T Park, home of the San Francisco Giants baseball team.

New Zealand are the defending champions in both events after their successes in the Luzhniki Stadium in Moscow in June 2013.

TOUR OF ALCATRAZ ISLAND

Alcatraz Island rises up from the deep, dark San Francisco Bay. Known as “The Rock,” to many of the convicts who called it home, Alcatraz was America’s premier maximum security prison during its penitentiary years. Today, it is home to the abandoned prison, the site of the oldest operating lighthouse on the West Coast of the United States, early military fortifications and natural features such as rock pools and a seabird colony. Bird watchers, military buffs, gangster enthusiasts, students of social protest, amateur historians, and garden loving green-thumbs can all find something of intrigue on Alcatraz.

Guests are transported to the island via ferry and welcomed by the park rangers that now are the caretakers of the island. Tours of the grounds and the prison cells via an audio tour are not to be missed.

BIKE THE GOLDEN GATE BRIDGE, EXPLORE SAUSALITO, AND FERRY RIDE BACK TO SF

MASTER PLANNING AND PREMIERE CONNECTIONS FOR ELITE INCENTIVE GROUP

WHAT: Automotive executive incentive group experiences San Francisco and the Napa Valley.

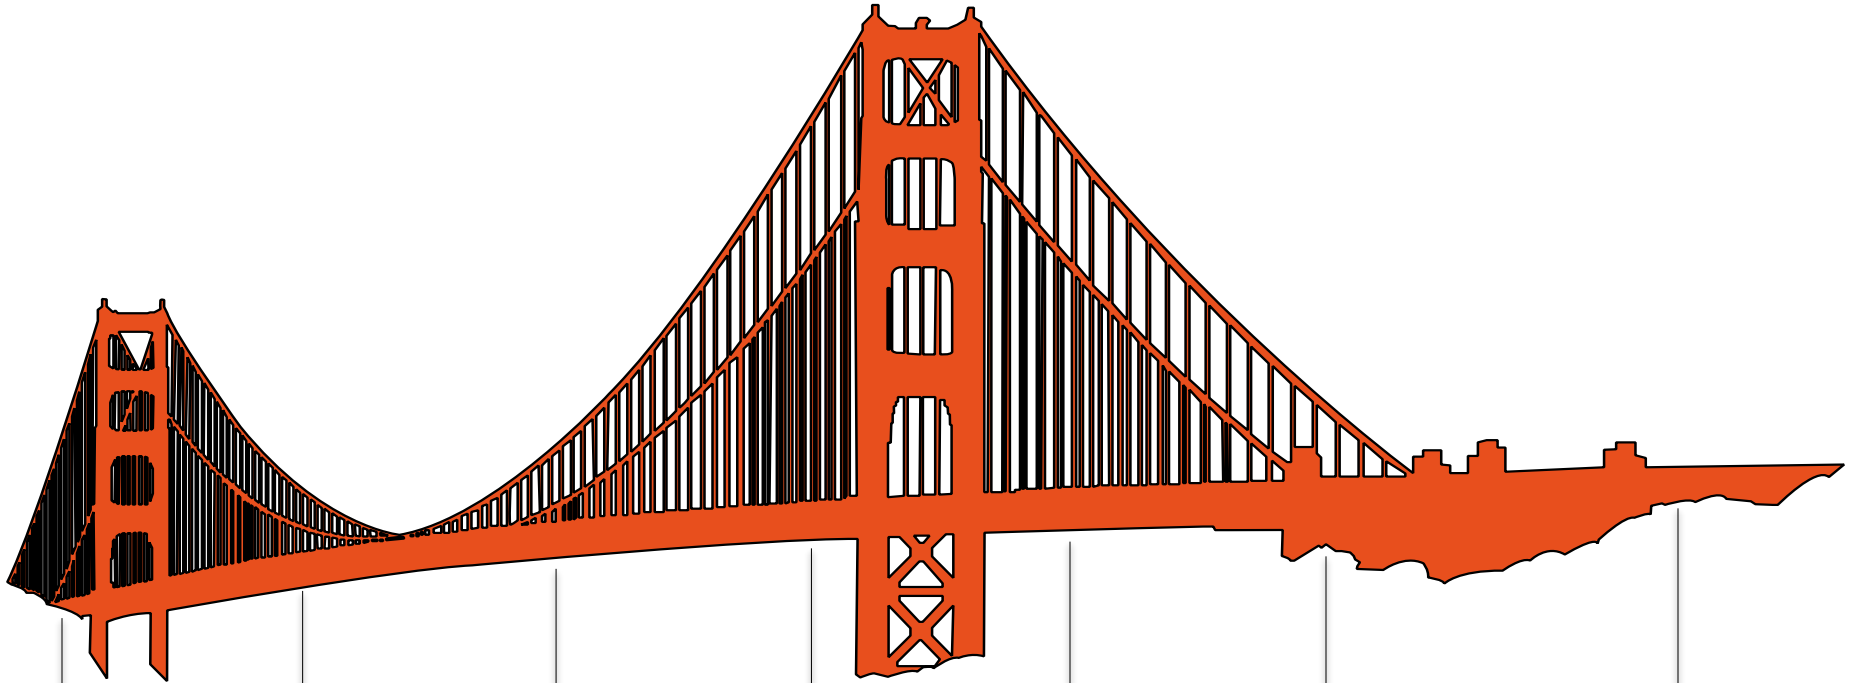

WHO: C-level executives and spouses.

HOW: A request from well traveled executives tasked our team with re-imagining every dining experience and entertainment component to fit this unique group. The program resulted in not only a high-end taste of the local lifestyle, but a whimsical five day excursion into the most elite experiences. No detail was left to the standard incentive offering. A single dining experience was tailored to the group's specifications, often pushing our restaurant partners to the very brink of their exclusive offerings. Each location not only offered top notch cuisine but had local acclaim as the new and trendy gem within the highly competitive San Francisco culinary scene. Beyond offering top menus with fresh Northern Californian fusion cuisine, menus were tailored specifically to the group.
